it all starts with slowing down.

Life at the speed of ministry is exhilarating but it can also be exhausting. There's a reason that when He set creation in order, God included a day of rest. He may not have needed it, but He knew we would. We started doing TIMOTHY+BARNABAS retreats years ago to give you hard working pastors a much needed break of encouragement and instruction. I've found that as pastors we don't often need the instruction so much as the encouragement. That's why, at a TIMOTHY+BARNABAS Pastors' retreat, you won't find yourself simply sitting in a row taking notes from a distant speaker. You'll be rubbing shoulders with your peers and myself. In the process, not only will you get to relax and receive, but you'll experience the sharpening power of **LIFE ON LIFE**. You'll leave our three days together prepared to work perhaps even better than ever before. And most importantly you'll leave with a network of friends cheering you on whose encouragement will follow you throughout the year. I look forward to slowing down and re-focusing with you at a 2009 TIMOTHY+BARNABAS Pastors' Retreat.

PASTORS' WIVES

Few on the outside may realize it,
but we girls know that being a Pastor's wife is hard work.
In fact, I think we need TIMOTHY+BARNABAS
just as much as our husbands.

That's why I've prepared a special time for us
to kick off our heels, let down our hair,
& find some much needed time to

Rejuvenate

with Mrs. Janet Hunt
